PRESS RELEASE - DAYTIME BURGLARY

Mercer County, Ohio -

Mercer County Sheriff Jeff Grey announced today the arrest of two local adult males for breaking into a residence. On January 12, 2009 at 1:00 PM deputies received a call from Gino Fisher, age 47, of 2808 Lee Road, Rockford. Mr. Fisher advised he came home and found several items missing from his residence such as his Xbox 360 and Wii systems and several games. He then observed two males trying to gain entrance to residence. The males then attempted to leave in a van parked outside the residence. They were unable to do so as Mr. Fisher had removed the keys from the vehicle.

Taken into custody at the scene was John Dooley, age 19 Township Line Road, Rockford and Chad Strine, age 23, Fleck Avenue Celina. Both are being held in the Mercer County Jail. The investigation is continuing.
